7. kid
8. eyelid
9. inside
10. hid
11. no
12. big
13. brown
14. eat
15. people

Hello Parents!

It was great to meet you all at open house! We had a good first week. The students are still making the adjustment from summer to the school year, but we were still able to get a lot done. We have jumped right into math with addition concepts, such as the commutative property, counting on to add and doubles facts. We will continue to apply addition concepts next week in math.

Social studies this week was a lot of fun! We talked about how different people come from different cultures. Each student shared a "culture bag" with the rest of the class. It was very interesting to see the different items from each student's culture. Next week we will be looking at why society has rules and punishments. We will also be looking at what resources are, and why they are important.

Next week we will also be starting science and begin to look at different inquiry skills that are needed to do a proper scientific investigation.

Have a wonderful weekend!

~Miss Christina

**Next Week:**

Math	Ch 1: Apply addition and subtraction concepts
